

## **REQUEST FOR PROPOSALS**

### **For Operation of a Restaurant/Bar Concession at the Terminal Building, Jackson Hole Airport, Jackson, Wyoming**

The Jackson Hole Airport Board (the "Board"), which owns and operates the Terminal, is interested in attracting experienced, enthusiastic and imaginative operators for a restaurant/bar, which must serve food, non-alcoholic and alcoholic beverages to customers who may consume those items in the seating area provided. The restaurant/bar is currently accessed from the non-secure portion of the Terminal. During the term of the proposed Concession Agreement, the Board plans to expand the Terminal, which will result in the restaurant/bar instead being accessed from the secure concourse (the passenger holding area) of the Terminal.

A pre-proposal conference and tour of the facility will be held on May 18, 2009 at 2:00 p.m. MDT. Interested parties may contact the Jackson Hole Airport Administration Office at 307-733-7695 to obtain a copy of the request for proposals.

All interested and qualified parties are requested to submit four (4) copies of their proposal to the Airport Administration Office, Jackson Hole Airport, by 4:00 p.m. on June 26, 2009.
