

**RESOLUTION NO. 2021-07
OF THE
JACKSON HOLE AIRPORT BOARD**

**RE: FAIR AND REASONABLE TAXI RATES
FOR SERVICES FROM THE AIRPORT**

Adopted: June 28, 2021

Effective: July 1, 2021

The Jackson Hole Airport Board (the “Board”), a body corporate, organized under the laws of Wyoming, finds that:

WHEREAS, the Jackson Hole Airport Board (the “Board”) is authorized to operate and maintain the Jackson Hole Airport (the “Airport”) under Wyoming Statute §§ 15-5-101, et seq., Chapter 12.16 of the Ordinances of the Town of Jackson, and the Board's capacity as proprietor of the Airport;

WHEREAS, the Airport is operated within Grand Teton National Park pursuant to an Agreement between the United States and the Board, dated April 27, 1983 as amended, which requires, at Section 9(b), and pursuant to 16 U.S.C. Section 7d, that all rates and prices charged to the public by the Board and its subcontractors and licensees shall be fair and reasonable;

WHEREAS, the Board has adopted a Ground Transportation Rule (the “Rule”), which is applicable to all classes of ground transportation providers providing service to, from and/or on the Airport, which Rule establishes Taxis, Shuttles, Transportation Network Companies and Executive Service Providers as separate and distinct classes of ground transportation service at the Airport;

WHEREAS, the Rule provides that the Board may establish from time-to-time by resolution, a schedule of rates or fares (“Rates” hereinafter) which may be charged by some or all classes of ground transportation Providers, for service between the Airport and various destinations within Teton County;

WHEREAS, the Board finds that ground transportation facilities at the Airport are congested, and for purposes of safety and efficiency of operation, this requires Taxis to take passengers on an in-line and a take-what-comes basis, which by its nature does not permit consumers to shop for Rates between Taxis, or Taxis to compete on the basis of Rates;

WHEREAS, Rate competition between Taxis which take passengers on an in-line and take-what-comes basis is likely to cause confusion among passengers, increased pedestrian and vehicular congestion and a reduction in the quality of service to the traveling public, and as a result be contrary to the public interest, welfare and safety;

WHEREAS, the Board finds that there is adequate competition between Transportation Network Companies, Taxis when operating by advance reservations or providing transportation to

the Airport, and Executive Service and Executive Charter Providers which always operate by advance reservations, such that Rates for such Providers may be presumed to be fair and reasonable;

WHEREAS, only Taxis licensed by the Town of Jackson may operate on the Airport and the Town has established maximum Rates for such taxis between established zones, including Rates to and from the Airport.

NOW THEREFORE, upon motion duly made, seconded and adopted, the Board resolves as follows:

1. The Board finds that the Rates annexed hereto as **Attachment 1** for Taxi transportation from the Airport and without advance reservations are fair and reasonable, and accordingly, they are established effective July 1, 2021.

2. The Board finds that, to ensure that Rates charged by such classes of service are fair and reasonable, it is not necessary at this time to control the Rates of (a) Transportation Network Companies, (b) Executive Service and Executive Charter providers and (c) Taxi’s operating with reservations, or when dropping passengers off at the Airport.

3. The Board reserves the right to set additional Rates in the future should the Board find that to be necessary to ensure that such Rates are and remain fair and reasonable.

Upon motion duly made and seconded, the foregoing Resolution was adopted by the Jackson Hole Airport Board on the 28th day of June 2021.
