

Request for Proposals - Addendum #1
On-Call Financial Consulting Services
Issued by Jackson Hole Airport

This Addendum #1 to the RFP for On-Call Financial Consulting Services at the Jackson Hole Airport answers all questions received by the deadline to submit questions. All provisions and requirements as originally set forth in the RFP remain in full force and effect.

Questions and Answers:

1. **Question:** In the proposal content section of the RFP (Firm Profile – Firm Resources), please clarify what type of information is requested.

Answer: Proposer shall provide any information they feel is relevant to describing their firms' capabilities under the Firm Profile section. Firm resources could include things such as number of employees, proprietary software, etc.

2. **Question:** In the proposal content section of the RFP (Similar Project Experience – Contact Information) please clarify what contact information is requested, if different from Client References also included in this section of Proposal Content.

Answer: Proposer shall provide contact information for the appropriate person to be contacted as a client reference for each project identified in this section.
